\* All accounts must be current and in good standing to qualify. You may skip more than one loan for an application fee of \$30 per loan skipped. A separate form will need to be filled out for each Skip-A-Pay request. If you choose to have the application fee deducted from your credit union account, the funds must be available for withdrawal before the application request will be processed. By signing above, you authorize Santee Cooper Credit Union to extend the due date of your final loan payment by the number of payments skipped. You understand that interest will continue to accrue at your current loan rate. Regular payments will resume on the first regular payment date of the month following the skipped payment. If your skipped loan has GAP coverage and you need to file a claim, it may affect the amount paid on your claim. If loan payments are currently being paid by disability insurance, you do not qualify for a Skip-A-Pay. All Skip-A-Pay requests are subject to approval. Restrictions may apply.
